

Mad Hair Day

Style your hair in the craziest way you can think of and raise vital funds for St. Michael's Hospice!

How to get involved:

On Friday 14 February 2025, we're calling on schools across North Hampshire to take part in Mad Hair Day! Get your students and staff to come into school for the day with their hair styled in the most imaginative way possible – the crazier the better! And don't forget those accessories – headbands are encouraged!

Fundraising Resources

We've got loads of resources we can lend you to help make your Mad Hair Day a huge success, including buckets, banners and leaflets. Let the fundraising team know what you'd like before the day!

Get Sponsored

If everyone brought in a suggested donation of £1 it would soon add up, if an average size class could raise £26.35 that could cover the cost of a patient's meals, drinks and snacks for a day!

Fundraising Goals

We're an independent charity, and only receive 16% statutory funding from the Government. This means we need to raise £15,000 per day to continue providing care to families across North Hampshire. We can only do this with the support of our amazing community.

Here are some fundraising goals to help your pupils see how they can make a big difference:

£26.35 could help fund the cost of a patient's meals, drinks and snacks for one day.

£36.42 could help fund one of our bereavement sessions for family members.

£99.30 could help fund five hours of nursing care for patients in our care.

Every year, our community, including schools like yours, help us provide free, compassionate care for people in North Hampshire who have a life-limiting illness, are facing the end of life, or need bereavement support.

Last year, our community's support helped us to provide the following:

706
complementary therapy sessions were held for patients in our care.

411
bereavement sessions were carried out for the families of our patients.

260
patients were admitted to our In-Patient Unit for care.

349
patients, carers and families attended our Living Well Services.

For support with your event, contact fundraising@stmichaelshospice.org.uk and we'll be on-hand to help.

Good luck with your Mad Hair Day event, every pound that your school raises will make a huge difference. Thank you.
