

# PERSON SPECIFICATION

**Job title:** Palliative Care RGN

**Department:** Hospice at Home

**Responsible to:** Hospice at Home Lead

**Grade:** SMH Band 6

## Job Purpose

The Hospice at Home Team provide both a planned and reactive service to those deemed to be in their final weeks of life requiring specialist palliative care advice and support.

The Hospice at Home Nursing team specialise in providing palliative care and support to patients at the End of Life. The H@H specialists nurses provide clinical assessments, advice on symptom management at end of life and provide clinical interventions to enable the patient to remain at home.

The team are supported by the wider multi-professional team within St. Michaels Hospice.

The service is supplementary to, and works alongside, other health care services within North Hampshire.

You will be responsible for the assessment of the person's care needs. You will develop, implement and evaluate care plans in conjunction with patients, relatives and other professionals ensuring individual physical and psychological needs are met.
